Dear Dr. Arefieg

Having been a patient at Pima Pain Center since October 2017 I would like to commend Tina Patrick RN, MSN, FNP-C as an excellent Nurse Practitioner and a true asset to your practice. Tina takes the time to talk to her patients, concisely explaining rationale for decisions and does not talk down to the patient. I am put at ease when talking with Tina. She does all this while remaining therapeutic and professional. I hope that you will convey this message to Tina as I believe that everyone likes to hear about a job well done.

Thank you for your time and consideration.

Sincerely yours,

Timothy
